

# Guidelines for the Use of Evangelism Funds

All churches may and are encouraged to apply for Evangelism funds. The important consideration is not the size of the request, but the faithfulness and commitment God has placed on the hearts and minds of your congregation. Funding allocated is not to fully cover all finances for evangelism events but to help aid them. Accepting your evangelism series check means you will comply with the following:

1. Evangelism funds are to be used both for projects or methods proven to be effective or innovative mission ventures that will allow your church to discover effective and biblical ways of sharing the gospel with those who do not yet know Jesus Christ as their Savior and Lord.
2. Evangelism funds are intended to initiate projects that may or may not require ongoing support from the Southeastern California Conference.
3. Building space, staff support, and equipment can be included in your requested funds.
4. It is the responsibility of the church to provide an annual written report on the project(s) to the Evangelism/Church Growth department so we can all learn from your Evangelism series.
5. The requested amount in the Evangelism fund may or may not be granted in the year depending on the available funds and proposals that are submitted.
6. Provide a kept record of all documentation/receipts for all expenditures to submit with the financial report.
7. Monies from this account can be used for musicians, "Bible Workers" or others who incurred expenses. However, you must first contact the conference's human resource department, and meet all of their requirements, in order to include those expenses in your evangelism subsidy request. Remember; evangelism funds can only be used for evangelistic expenses!
8. Within three months of your evangelistic series, download, fill out and return as an attached file (via email) these two reports.
  - a. Evangelistic Meeting Financial Report
  - b. Evangelistic Meeting Results Report
9. If your expenses were less than expected, please return the conference's unused portion.

# Process of Applying for Evangelism Funds

\*Please keep in mind that funding is to financially aid evangelism events, not to fully fund them

1. Listen:
  - Listen to those who are yet to become followers of Jesus and begin to envision a process of sharing God's love with them through both words AND actions.
  - Enter into a season of discernment and prayer as you listen for the still small voice of God as He reveals His plan and purpose to you and invites you to join Him in His work of reconciling a lost world to Himself.
2. Write it Down:
  - Submit an application and all corresponding documentation or a close semblance thereof to the Evangelism/Church Growth department for review and consideration.
  - If your church is planning more than 1 evangelism event, please fill out an application for each event.
  - Applications and instructions can be obtained from the Southeastern California Conference website, or by emailing the department at [evangelism@seccsda.org](mailto:evangelism@seccsda.org). Please note that the submission deadline date is **January 31, 2020**. We highly encourage applying online.
3. Review
  - The applications will be reviewed by the Evangelism and Church Growth department during the month of February 2018.
  - Even as the Evangelism and Church Growth department conducts their review, continue to review your vision and plan, confirming that this is indeed the exciting new thing God is placing before your congregation.
4. Share
  - The Evangelism and Church Growth department may personally interview applicants for Evangelism fund so that we can better assess your passion, your commitment, and your ability to bring your plans and dreams to fruition.
  - We encourage you to share your vision and plan with others. It is by sharing the new thing God is doing through us that our dreams gain momentum.
5. Receive
  - Funds will be distributed to successful applicants beginning of March 2018. All available funds may not be distributed in 2018, depending on applications/requests received.
